Issue 18 - July 2009

[Level 3 Intermediate Food Safety Course](#)[Stapless Stapler](#)[Allergen Course](#)[Level 4 Advanced Food Safety Course](#)[BBCT](#)[Mailing List](#)[Contact Us](#)**Dear Allsafe Customer,**

This month we are back to promotions of our products. This includes the Level 3 Intermediate Food Safety distance learning course and due to demand, the Stapless Staplers promotion will continue for the rest of this month.

Level 3 Intermediate Food Safety Distance Learning Course.

This course provides the level of food safety training required by supervisors and managers in the food industry. For the month of July only, the course material will be reduced to £160 (previous cost £190). RSPH Exam cost remains at £40.

Level 4 (Advanced) Food Safety.

Our next course is 21st - 25th September 2009.

There is the option to take either the Catering Level 4 exam or the Food Manufacturing Level 4 exam.

Our last course was over subscribed so if interested please book early.

Click **Level 4 Advanced Food Safety Course** on the menu for a link to full course details and booking form.

Finally, please take a look at the work of the **Bumblebee Conservation Trust**. Working in the food industry you should be aware that Bumblebees are of great commercial importance - but their numbers are declining. Many arable and horticultural crops depend on bumblebees for pollination. Without them there would be little or no crop to harvest.

Click **BBCT** on the menu for a link to the Bumblebee Conservation Trust for a fascinating insight into Bumblebees and try to support them.
